-

31/12/2024

- **Demonstrator at Medical -Surgical Nursing**
Faculty of Nursing - Sohag university
I am currently employed as a teaching assistant in the Department of Medical - Surgical Nursing at the Faculty of Nursing, Sohag University, where I have served for seven years. In this role, I am responsible for training students in practical skills within the college's simulation laboratories and providing instruction on patient interactions through hospital visits facilitated for the students.

PUBLICATIONS

- **Nurses' Knowledge and Perceived Barriers to Carry Out Pressure Ulcer Prevention Measures for Hospitalized Patients**
Hussein, G., Ali, G. A. E. N., El-aal, A., & Mohamed, E. (2025). Nurses' Knowledge and Perceived Barriers to Carry Out Pressure Ulcer Prevention Measures for Hospitalized Patients. Sohag Journal of Nursing Science, 4(6), 21-30.

ACTIVITIES

- Participation in international conferences, specifically the third and fourth Sohag International Conference.
- Engagement in practical workshops focused on scientific writing and research methodologies.
- Enrollment in training courses centered on contemporary teaching and learning strategies.
- Attendance at training sessions dedicated to effective presentation techniques.
- Involvement in training courses aimed at enhancing the quality of education
