

المحاضره الاولى الفرقه الثالثه كليه التمريض

Translation (عن اهميه اللغة الانجليزيه)

- (الترجمه من كلمه انها اللغه... حتي كلمه انتشارها في العالم) p. 210

It is the first language used in commerce and the international and global economy, especially in the science of electronic commerce.

It is the language of modern age and what it includes of the computer studies and programming, engineering, medicine, airline, etc..., so that it became the first language in universities, and institutes which study these fields.

It is the language of tourism and studying because most of the people who travel for tourism, work, or other things use English language more than any other one, which indicates that it is widely spread around the world.

- P. 198 (من اول القطعه حتي كلمه طبيعي وسلس)
